

To help keep your fleet vehicles on the road, Selsia has introduced **mobileservices**, our nationwide, centrally managed mobile repair service for cars, vans and heavy commercial vehicles.

Selsia mobile services

Selsia mobile services offers on-site bodywork fixed price repairs to cars and vans. For heavy and specialist bodied vehicles, in addition to many other services, we can repair or replace wing mirrors, steps, under run bars, beacons, light lenses, indicators, mud guards, bumper caps and other small damage repairs.

Our services

- 24/7 reporting
- Nationwide coverage
- Central management
- Triage services
- Fixed call out, mileage and labour rates for CV and specialist body repairs
- Fixed price bodywork repairs for cars and vans
- If out of scope, deployed to our extensive fixed site approved repairers

- Small damage repairs on your premises, including temporary repairs
- Express parts supply service
- Central invoicing
- Fixed price bodywork repairs for cars and vans

Your benefits

- Reduced vehicle loss of use
- Transparent charging structure
- Maximizes fleet efficiency
- Keeps vehicles road legal
- Satisfied customers and drivers
